

*The Fire
and the Rose*

*And all shall be well and
All manner of thing shall be well
When the tongues of flame are in-folded
Into the crowned knot of fire
And the fire and the rose are one.
— T. S. Eliot*

In the midst of the crisis of the world, the poets have been speaking their prophetic voices. T.S. Eliot in the Four Quartets unfolds the mystery of the fire and the rose. We will explore this mystery and other tellings of what is arising in the present moment, of which we are a part.
